Education

Toronto Metropolitan University

B.Sc. Computer Science

Expected: April 2028

Relevant Coursework: Computer Science I, Computer Organization I, Discrete Mathematics I, Computer Science II, Computer Organization II, Calculus I, Data Structures, Linear Algebra, & Introduction to UNIX, C, C++

Skills

Languages: Java, JavaScript, HTML/CSS, Python, C, C++, C#

Tools/Technologies: Git/Github, Tailwind, Bootstrap, React, Node JS, Figma, Vite, Material UI, OMDb Api

Certifications: Responsive Web Design, JavaScript Algorithms & Data Structures

Projects

TimeWise

- > Developed an app that offers organizational tools with a single space where you can think, write, and plan. You can schedule your events and keep track of your progress. Time Wise, an app built with **React**.

Moviesnet

- > Created an app with **React** and **OMDb Api** to find your favourite movies and tv shows to watch with just one button search. My first time using an API, I explored all the incredible features of APIs.

School Website

- > A responsive website that the administration requested for the clubs & councils of my school, Saint John Paul II Catholic Secondary School, with **HTML/CSS** and **JavaScript**.

Minesweeper

- > Created the classic game of Minesweeper with **HTML/CSS** and **JavaScript**. Expanded my knowledge with the language and used advanced functions to create my game.

Head's Up Poker

- > Recreated my own version of the game of Poker using a Graphical User Interface and different algorithms to solve hand rankings with **Java**.

Personal Website

- > Created a responsive portfolio website that presents all of my projects, objectives, skills, and experience with **HTML/CSS** and **JavaScript**.

Extra-Curricular Experience

Executive Student Council

Head Secretary

Sept 2021 – June 2023

Toronto, ON

- > Worked in a team effort to accomplish our main goal, responsible for note taking, handling documents, leading the secretary department, and handled monetary issues.

Extendicare Rouge Valley

Long Term Care Assistant

June 2019 – Sept 2022

Toronto, ON

- > Coordinated events & activities with residents; shaped the residents' experience more memorable with daily visits & developed a sense of responsibility and respect.
